International Conference of the Marine Archaeology of the Baltic Sea Area in St Petersburg and Viborg

The Institute of the History of Material Culture in St Petersburg and the Centre of Maritime Archaeology at Viborg Castle, hereby issue an invitation to the second meeting of the International Conference of the Marine Archaeology of the Baltic Sea Area in St Petersburg and Viborg, Russia, from the 8th to the 11th of June 1999.

The conference meeting will focus on marine archaeological projects and finds, maritime history of the Baltic region and discussions about problems of organisation and methods of underwater investigations; preservation and conservation of marine archaeological remains; as well as questions of co-operation in the field of marine archaeology in the Baltic sea area.

Registration for participation in the meeting should be sent to the Institute of the History of Material Culture before the end of 1998. A second letter giving information about the conference arrangements will be sent out early in 1999.

A report will be published on the proceedings of the meeting. Those conference delegates who wish to present a paper at the conference should send an abstract of their paper together with their registration.
